

ERIC M. JOHNSON

Eric M. Johnson is the Vice President of Development and Acquisitions at Industrial Outdoor Ventures (IOV). Eric brings 10 years of experience within the development field for domestic large-scale industrial and commercial projects. At IOV, Eric is responsible for sourcing opportunities along with managing the development process through the life cycle of the project.

Prior to joining IOV, Eric served as Development Manager for CenterPoint Properties, an industrial real estate development company specializing in developing state-of-the-art warehouse, distribution and manufacturing facilities with a large focus on rail, port and trucking infrastructure assets. Eric started his career with Power Construction in 2010 and also spent time with Opus Development in 2014.

Eric received a Bachelor of Science degree in Building Construction Management from Purdue University as well as a Master of Business Administration degree from Loyola University's Quinlan School of Business.
