

ROBERT CHASE

Robert A. Chase Jr. is the Director of Construction & Properties at Industrial Outdoor Ventures (“IOV”). Rob is responsible for carrying out IOV’s operational strategy, from executing on all construction and (re)development projects to acquisition capital budgeting and property operations.

Prior to joining IOV, Rob was a Superintendent with Power Construction where he managed field operations for several project types, including commercial new construction, renovation, and luxury residential. Rob brings a decade of experience with large-scale and high-profile projects within the field of construction.

Rob is a 2010 graduate from Purdue University where he received a Bachelor of Science degree in Building Construction Management.
